

QUIET COVE: N 62° 20.045' W 111° 53.211'

Cozy and quiet and good for 2 or 3 sailboats in N winds, untenable in serious SW rollers.

Phil Mork's Marina is no more but QC is still popular, especially for beachables. Until 2010, the bug capital of GSL!

Quiet Cove ~~is~~ ^{was} a popular D.I.A.N.D. destination. well protected, ~~all weather~~ anchorage, shale beach. There ~~was~~ ^{was} an old saw mill at the end of the cove, back in the trees...
